This is a conference and workshop to better enable our area to handle the needs of inmates and other individuals reentering society. This helps them have a chance to see our way life with the care and guidance that was so freely given to us.

You have to give it away to keep it!

- 1.) Mission Statement
- 2.) How Do We Do It?
- 3.) Experiences, Strengths, and Hopes

Please come help us share the hand of AA through fellowship
